**MISCELLANEOUS CAUSE NO. 118 OF 2020**  
**IN THE MATTER OF THE COMPANIES ACT 2012**  
**AND**  
**IN THE MATTER OF UMEME LIMITED**  
**AND**  
**IN THE MATTER OF AN APPLICATION BY PATRICK BITATURE**

**BEFORE HON. JUSTICE SSEKAANA MUSA**

**RULING**

This is an application is brought under sections 142 of the Companies Act and Order 38 r 6(h) of the Civil Procedure Rules.

The applicant was represented by Joan Nakaliika.

The applicant is seeking orders that;

1. ***UMEME Limited*** is granted leave to convene and conduct the Annual General Meeting for the year ended 31<sup>st</sup> December 2019 by electronic means, subject to obtaining a prior no-objection from Uganda Securities Exchange and complying with all applicable notices issued under the Uganda Securities Exchange Listing Rules 2003 and the law.
  
2. The costs of this application be provided for.

The main grounds for this application are;

1. That the applicant is the Chairman, Board of Directors, UMEME Limited and is registered as a Member Number 201838 of the Company Register of Members.
2. The Company is a public company that is listed on the Main Investment Market Segment of the Uganda Securities Exchange. The Company has approximately 5,000 members both local and foreign.
3. It is a requirement for the company to convene an Annual General Meeting in respect of every concluded financial year in accordance with the Company's Articles of Association registered on 10<sup>th</sup> day of December 2015, the Companies Act 2012, the Uganda Securities Exchange Listing Rules 2003 and the Capital Markets Corporate Governance Guidelines 2003. The company's Articles of Association require that any Annual General Meeting of the Company must be physically convened with a quorum representing 51% of the members entitled to attend the meeting present physically in person.
4. It is currently impractical to convene a meeting of the company in a usual manner and in accordance with the manner prescribed in the Articles of Association, owing to the various restrictive measures implemented by the Government of Uganda to combat the spread of the novel corona virus disease [Covid-19]. Covid-19 was declared a pandemic by the World Health Organisation on 11<sup>th</sup> March 2020 and a notified health emergency in Uganda by the Minister of Health on 17<sup>th</sup> March 2020.
5. The public health measures implemented by the Government of Uganda include a blanket ban on public meetings, emphasizes social distancing and Ministry of Health SOPs. The effect of this measure is that members of the company cannot convene in-person at a designated venue to attend the business ordinarily conducted at the Company's Annual General Meetings.

6. It is essential that the company convenes the Annual General Meeting for the year ended 31<sup>st</sup> December 2019 soon to comply with the statutory requirement for a public company to hold an annual meeting of the members within 15 months of the last such meeting. The last meeting was held on 9<sup>th</sup> May 2019. It is therefore crucial for the Company's Annual General Meeting to take place on or before 9<sup>th</sup> August 2020 to comply with this requirement and also ensure that members of the Company consider and approve resolutions reserved for their mandate, that are important for the governance, management and operations of the Company as set out in the Company's Articles of Association and Companies Act 2012.
7. It is appropriate for the Company to be granted leave of court to convene and hold the Annual General Meeting by Electronic means ( for example via a combined online/web broadcast and mobile phone platform) or other virtual platforms provided by the Company, by which all eligible members will attend, participate and vote electronically.
8. The Uganda Securities Exchange has already issued guidelines to issuers who may wish to hold their Annual General Meetings by May of Virtual meetings given the pending circumstances.

This court entertained the matter and heard the submissions of counsel for the applicant. The applicant's counsel oral submissions based on the application and the supporting affidavit, and this Court has considered them in arriving at this decision.

This court under section 33 of the Judicature Act is empowered to give any remedies sought in a matter if properly brought before the court. It provides;

*cause or matter is entitled to in respect of any legal or equitable claim properly brought before it, so that as far as possible all matters in controversy between the parties may be completely and finally determined and all multiplicities of legal proceedings concerning any of those matters are avoided.*

The applicant's problem or dilemma in this matter is in simple terms, she cannot hold a meeting to direct the affairs of the company since the government banned all public meetings in order to combat the spread of Corona virus [(Covid-19)].

The **Companies Act** envisages such situations and is ably provided for under section 142 which provides as follows;

*(1) Where for any reason it is impracticable to call a meeting of a company in any manner in which meetings of that company may be called or conduct the meeting of the company in the manner prescribed by the articles of this Act, the court may of its own motion or on application of any director of the company or of any member of the company who would be entitled to vote at the meeting order a meeting of the company be called, held and conducted in the manner the court thinks fit.*

The applicant has set out the reasons and grounds why the company is unable to hold a meeting in the manner provided under the Articles of Association and the justification for such a meeting; to enable the company operate smoothly and convene the necessary company meetings and this court is satisfied with the said reasons and grounds.

Under the current circumstances and legal regime, the company cannot convene a physical meeting due to its large membership of about 5000. **The Public Health (Control of COVID-19) Rules 2020** banned public gatherings and meetings.

In addition, there is a prohibition of entry into Uganda under the **Public Health (Prohibition of Entry into Uganda) Order, 2020** and it provides; *The entry into Uganda by any person and the introduction into Uganda any animal, article or thing at or through any of the border posts of Uganda is with effect from Monday 23<sup>rd</sup> March 2020, prohibited.* The foreign members cannot come into Uganda.
